TREMONT

51814BN

LARGE LED VANITY

Tremont offers a bold silhouette ideal for any transitional décor. The formed linear panel of etched white acrylic creates a soft and seamless appearance while evenly diffusing the eco-efficient LED light source. Offered in Brushed Nickel or Polished Nickel, the shade is secured with sleek metal bands, riveted at each end and framed by a full-length back plate. A raceway back plate allows mounting directly to the wall without the included junction box cover plate, for a more streamlined look.
