SMALL LED VANITY

Acclaim is a striking contemporary LED design devoted to modern simplicity. A sleek cylinder of etched tempered glass, silk-screened white along the inside, provides a uniform glow from the soft white eco-efficient LED light source. Simple and elegant die-casted end caps capture the glass shade, attaching it to the full-length back plate. Available in Brushed Nickel or Polished Nickel, the raceway back plate allows mounting directly to the wall without the included junction box cover plate, for a clean and minimal look when mounting vertically or horizontally.
