- Merging the best of traditional and modern elements with a sophisticated and streamlined look
- The Lisa McDennon Collection offers a striking mix of edgy, sculptural silhouettes that incorporate modern, organic elements and luxe materials, brought to life by her innovative and original point of view.

## FLORA

### 30010TXP

#### MEDIUM SCONCE

Flora is a work of art inspired by the delicate nature and beauty of florals. Blurring the line between lighting and sculpture, Flora's handmade, hand-painted blooms mesmerizingly unfold while the bulbs beautifully nestle inside. Flora is a part of the Lisa McDennon Collection.
